

THE SIGN OF THE WORLD

Girl Scouts promise to improve the world around them. You build leadership skills and contribute to your society when you do a service project that helps others. The Sign of the World helps you to join forces with other Girl Scouts to make a difference in your communities.

1) Read the section on doing a service project in the "Adventures in Girl Scouts" chapter of the Junior Girl Scout Handbook. In a group, discuss projects that you think your community needs.
